SUPER SEA-MONKEYS®

JUST ADD WATER—CREATE LIVE "INSTANT PETS!"™

THE MOST AMAZING SIGHT YOU HAVE EVER SEEN!

Imagine! **Just add water,** and amazing new **Super Sea-Monkeys®** (Artemia salina) **hatch alive** right **before your eyes!** And that's just the **start** of a **multitude of miracles** that you will see when you own the most **adorable** live pets ever to bring smiles, laughter and joy into the American home

"THREE-EYED "FREAKS OF NATURE"!

From the very start, new **Super Sea-Monkeys®** thrill you with **wonders** that leave you **breathless!** Born with but **one eye** in the center of their heads, in a few days they grow **two more** eyes, making them **three** eyed **"freaks of nature"!** When they grow, they shed their middle eye and become "normal" two-eyed sea-creatures. And because new **Super Sea-Monkeys®** grow **so incredibly fast** you actually **see** them getting bigger and **BIGGER,** day after fun-filled day! Just 21 days after they are born, they are **at least** ½" long, yet they can live **a whole year** or **more!**

SO "EAGER TO PLEASE" THEY "OBEY" YOUR COMMANDS LIKE A SCHOOL OF TINY DOLPHINS!

With boundless energy, **Super Sea-Monkeys®** romp and play night and day So full of fun, you'll **never** tire watching them swim, race and take turns riding each others backs like cowboys on their ponies We even show you how to make them appear to **obey your commands** At a snap of your fingers they follow a candle beam as if hypnotized, loop-the loop like circus daredevils and even "dance" to a lively tune! Because **Super Sea-Monkeys®** eat so little, keep their water so clean, and need just a minimum of care, even an 8-year old child can grow them If you like the company of pets you'll **love** owning **Super Sea Monkeys®**
